

ONE END OF THE LINE

Doubtful

AI cannot help us staff deals better

THE OTHER END OF THE LINE

Convinced

AI can help us staff deals better

Weekly

How often does this happen to us?

Monthly

How often does this happen to us?

Rarely

How often does this happen to us?

The case that went wrong

Tell one real staffing case in under four minutes. Plain words, no client names. The room then says how often it happens.

The deal, in one line

What the records said

What was really true

What it cost: time, money, people, the client

The question you want the room to answer
